

CIMARRON MEMORIAL HOSPITAL
FINANCIAL ASSISTANCE PLAIN LANGUAGE SUMMARY

Cimarron Memorial Hospital and Rural Health Clinic is committed to meeting the health care needs of those within the community who are unable to pay for medically necessary or emergency care, including the uninsured, underinsured, and those ineligible for government programs or otherwise unable to pay.

Cimarron Memorial Hospital will always provide emergency care regardless of the patient's ability to pay.

To be considered for free or discounted care you will need to fill out an application and provide supporting documentation about you and your family's financial circumstances. Financial assistance is only applied to your services that are in self pay status and after all insurance and third parties pay. With updated financial information you can update your application every 3 months.

Financial Assistance Programs

If you receive discounted care or free care you will not be charged more than the amount we generally bill patients who have insurance coverage.
